

1. WAVES OF LIGHT

Cairo Glitz introduces one of its new signature models. Curves of stainless steel are adorned with cascades of Egyptian crystals – perfect for the dining room and, for an extra touch of luxe, for the kitchen, too.

2. SNOWY HORIZONS

Citizen Kane's Rosebud was trapped in a chilly snow globe. This cream and navy Rosebud carpet from Tibet might make you think of a snowscape, but it's oh-so-cozy in wool and silk. Available in standard and custom sizes.

5. ELEGANT LINES

The Everett chair features beautiful rosewood, including in the inlay along the gently sloped arms. Flared back legs and a curved back make this shapely chair a stunning yet simple transitional piece. Other wood finishes and fabrics available.
